Official Payments, the Service provider charges a convenience fee for payment processing (2.75% of total transaction for credit cards or \$2.75 for electronic check)

ESCROW: It is the property owners' responsibility to make sure that their mortgagee is informed of the amount due. To avoid penalties for late payments, make sure your mortgagee has the correct address for payment (see 1st page). Some mortgage companies have home addresses for past treasurers. Please make sure that both the husband and wife endorse the check if both names are listed. This has been a problem in the past, and can delay the posting of your payment.

RECEIPTS: If you have not received a receipt before 1/31/2008, please call to make sure that payment has been received in order to avoid a late penalty.

REFUNDS: If you are due a refund for overpayment of your tax bill, your refund will be mailed to you within 15 days after receipt of your payment. Refunds of less than \$1.00 will not be made.

NSF CHECKS: All checks that are returned due to NSF(Non-Sufficient Funds) will be charged a \$25 processing fee.
